Good Evening

As of date and time the 40ft Container from Pinto is due on STT 10/23, given that none of the Cabanas will be completed at that time, I believe there are only 3 options reference storage of this furniture

1: Place furniture in x 2 20ft containers which we have on top of the generator building, these would have AC units installed

2: Place furniture in MC Movie Room

=div>3: Place furniture in Gym/Ballet Room Please advise if you have any other ideas Warmest regards Karen --=
