Greetings =ich,

From Alex =ia Ashley:

Plan=B has prepped one generator. They will be on site next Thursday, =0/11 and Friday, 10/12 to install the Rear Oil Seal and the Back =nd.

The =econd generator still has to be prepped to receive the Rear Oil Seal =nd Back End. When they plan to address this second generator is =ending.

They =re aware that the first Back End is on site, and the second Back End =ill be delivered tomorrow morning, 10/5.

Per Ashley, Mike called yesterday about =rdering the Rear Oil Seal, which Ashley is doing today - hopefully it =ill be received in time for Thursday, 10/11.

Ashley is going to talk with Alex and =andy to confirm the dates for prepping and installation for the second =enerator.
