Mr Epstein,

My scheduling software is web based and I still do not have inter=et at my office. Once it is up again I can print off a calendar view=or a gannt chart view of the schedule. Would you like a monthly cale=dar view or a gannt chart (this is what I gave you but you back in August =nd you did not like it). Please let me know so as soon as I have int=rnet again I can get it sent over. Thank you!

Very Respectfully,
