I was working as a sales assistant which is a real job. I had to do everything they asked me and yes, besides selling and being at the till I also had to put in order the stock room until late at night. I started from the very bottom and now I'm only working in the office with marketing. I did what I had to do. Next time you can find me a better job if you are not happy with what I'm doing

please stop. this is too silly, you chose to be a stock room girl instead of a real job, your choice. send me photos carrying boxes, waitressing would be better. the last time i saw you, you were screaming in the street. causing problems. not before october and only if you have worked continuously until then.
