not sure why you want to agree to retire as a starting point. I am happy to be on the phone when you are with the dean. you will NEVER in your life make or lose money this quickly. it will be the most productive hour of your entire life. so GO SLOW!!!. lets ask for multi year research or multiyear sabbatical. the dean will need to feel as if he negotiated you down. I would not put in the package details at all in the letter if you are going to show it to him.
