Jeffrey: Sounds terrific (pardon pun), potentially important; Closer To Truth would love to support as you develop (TV and web) - as you know, we have an on-point overview episode planned in "Radical=Breakthrough" series - "Can Music Probe =mentality?"

Mark: It has been ~15 years since we did Closer To Truth =together (with Bob Freeman and Jeanne Bamberger) - <https://www.closetotruth.com/roundtables/why-music-so-significant>. We already have you on our priority list for the =usic/Mentality episode above - a CTT associate producer will contact =ou during preproduction. We can plan more, go really =n-depth.

Looking forward and best regards,

Robert
