Apologizes for the delay.

Karen and I reviewed the initial design, taking into account your concerns regarding appliances etc

We based this design on more everyday use, with the flexibility to cater larger functions

Appliances Designed for Salt Water Locations consist of ♦=A0

Under Counter Fridge Drawers x 2

36" Alfresco Grill

LSJ would supply the Domestic Oven, which is already on site

A center table would also need to be constructed or purchased

Countertops, Polished Concrete, in house.

Cost breakdown:

Cabinets

Sandstone color fronts \$26,160.00

Appliances= \$12,300.00=</div>

Freight: ♦=A0 =C2♦ \$1,575.00

Can we proceed with purchase?
