Dear Mr Kahn,

Thank you for your help with the university application.

The next step will be the student visa application in which I'll also need your help.

There are certain details that I'll need to present to the consul:

- A work reference from the sponsor (with the date of issue, stamp and signature, salary, position and start date)

- Bank account statement that covers the cost for 1 semester (not less than 35 000 CHF)

\* A sponsorship letter that says that you're willing to pay for my tuition in the terms that I'll be working for you in the future. A full scholarship. (a fake one obviously)

Something about my potential in your company and how you believe that this opportunity will make me a very good employee in the future.

We just have to make it seem believable with electronic signatures and stamps in order for me to get the visa.

Thank you!!!

Best regards,

[REDACTED]
