Yes. They are great for the most part. Than=s. Will call in a bit.

Re the funds: &=bsp;l am not in control of them. The donor gives them to the university to s=pport a project-in this case the origins project. Even if The origins Direc=or could reassign them I am no longer the origins director. One other donor=is working with university to reassign the funds. I think it would have a b=g impact if black said either fund Lawrence's own work or return th= funds.
