actually I now don't like using the word process.. =ince she uses it and this seems to confirm her statement. can i =se another word than process? Maybe something

like "University procedures are ongoing and =onfidential so I cannot comment. My status and my situation have =ot changed since July"

I like this last one better.. let =e know.

Hello Dr. Krauss,

My name is Mia Armstrong, and I'm a reporter with The State Press. My
understanding is that you are currently in the middle of a process wherein various university organs are considering
your dismissal as a tenured professor. I'm wondering if you have any statement in relation to this process that you
would like to share. If so, I'd ask that you share it with me by Monday, October 1st.

Thank you,
Mia
