Good afternoon Richard,

The following will complete our scope for our next dispatch:

- \* Recoat master bedroom and cabanas flooring with hi-gloss
- \* Remove and reinstall cabana 3 bath flooring and resand entire space
- \* Add new flooring to pool cabana
- \* Coat Library floor with water base (we highly recommend against a wax

finish due to the high maintenance)

I was able to locate 2,500 sf of the prime Hakwood Oak in San Fran and it's my recommendation to purchase that for your inventory.

Please reach out with any questions and I will have pricing to you on Monday.
