Had a great time with the girls - [REDACTED] w=re following me and I kept telling them how beautiful there Mom looked and=what an amazing event she had put together. Have a funny story about [REDACTED] too, reconnected with the NETGEN group. Most people looked like bank em=loyees and were pretty old (dressed as if they had just got out of office)= will see what happens at the lunch..

Have new cont=cts from [REDACTED] - will try to meet today. Also skyping one of my favorite =ew candidates today
