Subject: Re: Invoice Question

As soon as Jonathon removes the noncompliance we'll be back moving. I plan to check on our dock permit at CZM this morning just to make sure we don't need to do anything (I have asked before but they said no). ♦=AO I am afraid we are caught up locally in the log jam of not having a committee meeting in over a year. I think they about have things worked out then we'll be back rolling. We should have local approval on cables anytime now, and ACE is working on the review of the cables now.

If its okay I'll call Jo=athon to see if I can push a little bit.
