Yes. They are great for the most part. Than=s. Will call in a bit.

Re the funds:= I am not in control of them. The donor gives them to the university =o support a project-in this case the origins project. Even if The origins =irector could reassign them I am no longer the origins director. One other=donor is working with university to reassign the funds. I think it would h=ve a big impact if black said either fund Lawrence's own work or r=turn the funds.
