Ref;  
Bed sheets for the G550 Bed/Divan,

Twin XL is the correct side Bedding for the G550 divan, However, the Thread count for Twin XL is typically low, highest I've found was 500 thread count. (1000-1500 is a good thread count) If Karyna wanted to purchase or send some of your PBI King sheets Fitted, Regular and Duvet covers to Eric, I'm sure his seamstress adjust to fit perfect on the Bed?

Just a thought

Thx  
Larry
