Mr Epstein,

Im working to get Jay to se=d me his tile guy for a week starting this Wednesday, waiting on the confi=mation. I will have them starting on the steps and cracked coral sto=e around your areas then moving on to Cabana 3-4 bathrooms (as long as we =ave no issues with fixture install). They will all be done before yo= arrive again.

Also [REDACTED] mentioned t= me about hiring 3-4 guys for a concrete forming group, do you still want =o proceed with that? I have a few guys in mind but I think we should=hire them at the same time as the car-mix shows up to the island. Th= second part of that is do we want to hire them under LSJ or under my EIN =KR Builders LLC) since I am technically a sub-contractor of Jay. Please le= me know what you think. Thank you!

Very Re=pectfully,

Kyle Reavis
