Gear is Due overhaul 20=4 \$1M

Hi Larry,

I am copying Zaher Deir on this as he is on site a= Comlux. Let's see if Comlux will give us a quote for the Fans 1A and=CPDLC. They are apparently very lightly staffed and have been slow to=respond.

Gear will be due in 2024.

I got a bunch of repaint q=otes for the Google 767 . I'll pull them out this afternoon and =try to do a relative cost analysis.

I would not feel comfortable thr=wing out a figure for the refurb because it could vary so many millions bas=d on what Mr. Epstein selected. I would not do it at Comlux as w= have found them extremely expensive. I'll see if I can come up with s=me suggestions stateside.

I'm submitting another bid to Gary for the=GIV this morning. Do you have a recommendation for a paint shop? = International Jet doesn't do paint do they? Lars wants new carpet, s= if he wants to go to them for the veneer, hopefully the carpet could be re=laced at the same time.

BTW I've fried my phone have a new one comin= in the next few days, but have limited access to texts now. Email is=best. If I'm out of the office , Stacey can read them to me.

Kind regards
