Subject: Ali's old plane

I hate to say it,, I still like this plane, it's almost turn key.

-Fans 1A completed

-minor mods to interior, doors on to=e cabinets that expose the Towels.

- install a real bed mi=cabin, for your stateroom, remove the Dual Divan's

-9 tanks, Max range

-Indicates Lower cabin mod, my guess s=nce it was a 1 owner plane, its was most likely delivered with Lower cabin m=d from Boeing, Maybe?

-4000 Hours / only 1000 landings.

-the Chief pilot was the test pilot at certification, he was v=ry anal about the weight and balance he had on his IPad. Which impressed me= -the cockpit was flawless.
