Not sure I remembered to tell you that Woody wanted to test giving me a vita=in infusion last time I saw him - a few days before I was expecting a migra=ne (cycle related). I never got one that month but thought it could have be=n a coincidence and then forgot about it. This month I didn't do it=and the headache is back, right on schedule...  
Hmm, vitamin shots may not be a bad solution.. I wonder how safe it is to do=once a month.
