Mr. Gabriel and his crew have been wor=ing on sanding all the wood in the office every weekend for the past four =eeks. It is not possible for us to work while they do the sanding henc= having them work only on weekends. They have two more weekends to g= before they finish. I have asked them about coming this Friday, Sat=rday and Sunday and knocking it out so that I can have the rug and AC vent= cleaned next week. I want to get them out of here ASAP since some o= us are having respiratory issues. They can come those three days bu= it means closing the office on Friday. Is that okay with you? =
