Hi, Peter,

I enclose the last page of MIND's tax declaration 2017, wh=re you can see the final sum to pay, due to the fact that we received the =um by Jeffrey in 2017 but it was not spent in the same year. I hope to rec=ver part of it in 2018, but it is not sure yet, and this is the prese=t situation. I obviously regret very much for the inconvenience, but the l=alian tax system is very rigid.

Let's be in touch for all,

best wishes for the project,

Giuseppe
