Forgot to mention

When I spoke to Brice yesterday, as we know, he's been trying to blame Steve for the disappearance of AR15
Brice informed me, that Steve has a loan with JE for \$5k or =10k that Brice says, Steve's wife, Amber knew
nothing =bout this loan, and still owes JE the balance, when Brice =onfronted Amber during his visit,
***Brice Thinks Steve =as money issues,
I'm hoping Brice had this =iscussion with you as well, it's non of my Business, I'm =ust sharing this info with you
Since I still think Brice =as something to do with this,
