Dear Jeffrey

It was on a silly whim.....but not really...being in touch.....you still manage to wow and fascinate me with your stories of Princes and Kings..... I was actually in mid fantasy about being queen of my own queendom someday.....=..exploring that story in a trancelike state.....I decided to call you!!! And as the Universe would have it! I heard your voice.....same as before, the=way you you speak when you answer the phone!

Wow! Great to hear your voice.

Love you always and let me just tell you Mister that as you predicted you =80 I'll always be one of the catalysts that gave me freedom to get a little=loose.....

Actually would love a catch up soon.... so will try call again sometime.

Love,

Francis. X=<?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
