**Subject:** 1. Studio in Chelsea

Website - Air B & B  
Location - Says will only give exact location once reservation is confirmed=but gives a large area of where it falls into. (All Air Band B seem to do =his) Price for the month - \$ 6253.00 (they are all priced so insanely which is why I had been looking for a hotel for 3=weeks)

Pictures below and date, price, and approximate area on map on link:
