attached photo's for your referenc=

The pool caban= awning was purchased 5/11, for a cost of \$3193.82

We are having issues finding a rep=acement motor. Also the frame is showing signs of corrosion.

Therefore would recommend we p=rchase a new unit with a wind sensor,

Cost \$3000.00

The existing unit is 14', which just covers the d=or opening and really doesn't provide much protection
