The pool cabana awning was purchased 5/11, for a cost of \$31=3.82
We =re having issues finding a replacement motor. Also the frame is showing si=ns of corrosion.
Therefore would recommend we purchase a new unit with a wind sensor,
Cost \$3000.0=

The existing =nit is 14', which just covers the door opening and really doesn't =rovide much protection

T=ere is the option to Expand Width of Awning up to 20', would you ♦=A0prefer to expand Awning,
if so what width do you prefer. 16', 18', 20', =b>Fabric White
