Looks good—I would just change the “could” to a =E2 would.” Also, do you want us to Google-stalk the =ther two people to make sure they haven’t said anything that =ould suggest bias? If we don’t do it, you should. =nbsp;Google their names with things like Title IX, sexual assault, gender, rape, etc.

Proposed letter to Michael. Please respond asap that this is ok.

Thank you for your letter. I received an email yesterday from Mark Searle indicating that the conciliation committee could be provided my Aug 29 and Aug 30th memos to OEI, which I sent to you on Aug 31 along with my appeal letter, so I just wanted to confirm that they will be made available on Blackboard to the committee as well. Thanks for your attention in this matter.
