He sounded surprised when he found the =file,, he said [REDACTED] was suppose have put the gun in the =afe,,, Before, Brice said he placed the gun in the =afe back in January,,

But he keeps changing his =tory

Now he suspects Steve is involved in some =ay,, since Steve knows the foreman on the RePaving road project at =orro,,

Supposedly has a bad history

I'm surprised Brice waited so long to inform anyone =hat he found one of the missing guns?

Also, =teve informed when the Safe was opened that Brice had the AR15 at his =ouse Rainer this year,, maybe Brice needs to look harder find the AR15 =s well?

Saga BS and lies =ontinues
