Good morning Steve,

The final update on the tree spade is the estimated ship date is October 1, 2018. Due to a glitch in the ordering system. The order was not placed on the 27th of July as we all originally thought; When I was checking on the status of the order on the 27th of August, SPS(our POS) actually pushed the order through on that date therefore pushing the ship date out. I do apologize for the mix up; As soon as we receive the tree spade, I will call you to pick it up. I also have a call in to our CASE rep to see if we can get this expedited. You will hear from me soon.

Thank you for your understanding and patience,

Krista Daily
