Jeffrey - one more cool person is in New York on Sept 5th-11th. He=E2◆◆s a founder of cloud business phone company callision.com an= a CTO of 2K+ people debt service company. He's a nomad and been l=aving in a new country every month over the last two and half years while =aving two important leadership roles. Super nice, very clear, fast, positi=e and smart, speaks a few languages.

I thi=k you'll enjoy knowing him. Tell me if you want an intro.
