ok

On Fri, Aug 31, 2018 at 11:01 AM, Carlos Rodriguez Hi Carlos... Karl and I have discussed design parameters and cost. =est guess is she would be a 46' open back cabin ,composite c=tamaran powered by diesel inboards and cost somewhere between \$500 and \$60=K. We could start construction in 10 months (July 2019). She would be comp=eted in November 2019.

Hope that helps get things rolling!
