Subject: australian barristers

Hi.. = am putting together a short brief for australian barristers on the =otential defamation case. Originally all people recommended =tuart Littlemore, QC, and I had actually contacted him long ago when =he ASU and ANU complaints first surfaced, but he blew me off because it =urns out QC's have to have cases referred to them by regular =arristers.. I have since read about him (look him up on google) =nd he seems a bit of a creep, but then I figured maybe we should retain =im so [REDACTED] doesn't.. Anyway, in the interim, =everyone in Canberra says this firm and this woman is the go to person =or defamation.. Bridie Harders of Aulich (<https://aulich.com.au/civil/#the-team>)
