what Brice leaves out from email is that AR-15 is missing Larry questioned Steve who then says Brice has an AR-15 in his house..

it appears Brice takes Larry's AR-15 to his house and brings back to safe before each of Larry visits all info above was from Larry...who was clearly very frustrated

Brice neglects to include this all in fact pattern below...  
not sure who is the most tired of his manipulation and lies JEE or K
