Jeffrey,

We appreciate the additional time and the heads up.

I was actually discussing with Eric this morning that we will need more time on the aircraft due to the material issue.

Unfortunately I don't think the 14th will give us the time needed.

I was actually looking at the 21st for a delivery date as a worst case scenario, we could possibly improve on that but until I have the material in my hands it's hard to tell.
