Done. We will remove the magazine rack on the L/H fwd cabin bulkhead and install the subwoofer in it's place.

Best Regards,

Eric

It is urgent if it is going to end up in the divan arm rest.

There is a magazine rack mounted on the L/H fwd cabin bulkhead.

Best Regards,

Eric

Mounts to the floor

There is a foam membrane to "seal" the sub with the only area for air movement is approx.. .50" high x 2.00" wide (either side of the one mounting bracket)
