<[REDACTED]>

it would go something like this.=.. 1 Donald doesn't really own very much, he rents out his name. he puts it on buildings projects etc. =C2 for a royalty or piece of the upside. he then claims the asse= is " his ". its very much like hyatt hotels. it says Hyatt h=tel on the front but it is owned by someone else. (=A0 sometimes by Hyatt but not often). Hyatt receives =A0 3 percent per year of revenue and a piece of the profits sometime= if the hotel is sold at a profit. . <=r>

money launderers. need a name to purchase trophy=properties. why? there is little suspi=ion if a famous weal=hy person buys a property that is likely to show in the press. =, it cant be jojo my driver. up front , so they approach wealthy people and t=ll them for 2 -5 million dollars for doing nothing at all. - just lend us =our name . - and the person get the positive press. =A0 so and so bought the most expensive painting. s=ld the most expensive painting, house., diamond. etc. =A0 -ex the GANZganz family estate. selling etc.

hypothetically, . =C2 someone approached trump and said can you buy the palm b=ach house. in your name. (it was trump properties=llc) , =ot sure who actually owns the llc=/span>. ? Donald can get a loan from a bank , =A0 but it is guaranteed by , an entity controlled by R R =A0 has a bvi co. xitrans. that is owned b= a family trust. (cyprus). R wife settles in oct after trump anounces cand=dacy . the llc agreement or the loan agreement allows Donald to get a =ew million for his name. . R in essence is the " =A0 owner. ". he was part of the panama papers release. =A0 he also sold the da vinci to mbs. . ? if you ar= a gangster , where and how can you invest money. answer not =hrough the front door.

Donald's financial disclosures are the same = he represents his " income " as the GROSS =A0 receipts of his clubs. " , means nothing at all=C2 ZERO. no income as we no it.

he lists his " assets" ,and their VALUE =A0 - but not the corresponding loans. against it. =so no net number , hence meaningless.
