Dear Bill,

A very happy new year to you! Too long since we saw each other. I just realized that the International Peace Institute (IPI), now can celebrate 20 years of cooperation with the Gates Foundation. It would be good to touch base again on this and other matters of mutual interest. I will be in Davos from January 20-25, if you are there may I suggest that we have lunch together?

Warmest regards,

Terje
