The Helicopter Generator arrives in FLL Monday, Bell will airline their tech=ician to install the Generator and Tail Rotor pitch links Thursday.

Pilots,.

Eileen has been spending most of her time in Tallahassee, where her Mom is i= a Nursing home With the onset of Dementia,. Her Mom still recognizes me, s=e's 89 years old, not much time left, I'd like to visit Tal=ahasse for several days next week, then airline to St Thomas to assist and t=st fly the Helicopter after the install of the Pitch links. I noticed the p=tch links on tail rotor with CAD plating missing, photo below.

Pilots:

Would it be OK to send Dave and Darren Rothell on the Paris trip, when you d=part? To allow me to take care of family visit and the Heli in STT.

Thx
