Okay, thank you.

I =nderstand that we are meant to supply a pallet of water (plastic, not =oss) for the contractors and our crew at GSJ. Would we be able to order =his from the company?

Greetings Stephanie,

I spoke with JP in Purchasing at West Indies Corporation. They are the only supplier on St. Thomas of the Voss Still Water in the 375 ml glass bottles.

All of the stores on St. Thomas purchase their stock of this product from West Indies Corp.

West Indies Corp expects to have the product in stock in about 3 weeks (2/15/19).
