Dear Jeffrey,

For the new year, I wish you health, inspiration, and joy on your =ourney! I have sent a small print of my father's to your NYC =ddress and hope it arrived.

Last week, I visited AI Foundation's main office in Las Vegas =or a week of working and getting to know the team. I think I will have = very productive and interesting time with them; they want to build =irtual humans using my emotion/motivation model, while publishing =esearch. We have found a house close to Stanford and the German school =nd if all goes well, we will move in February.

As always, thank you for your support and help.

Sincerely yours,

Joscha
