HOW IS THIS?

Alexander -

I am much better at reading x-rays, than between the lines, but I'll try. =

My jeddah trip was proposed by the bank. It's purpose, was as follo=-up to help their delivery unit team complete the data analysis and launch t=eir own President's Delivery Unit at the Islamic Development Bank. [REDACTED] on the billboard in the hallway announcing the event. =In addition a snap of [REDACTED] at the conference.

I went from Jeddah to meet my [REDACTED] = The trip as you see from the email attachment was approved and the funding=mechanism agreed with the Bank.

Of course I assume many times Jim and I were in a large cafeteria with many p=ople, sitting only the two of us at a table but nothing untoward ever trans=ired.

I do not believe I have ever stayed at the Ritz in Manhattan.

I would appreciate it if you have any specific questions to forward to me so=I can answer directly?

Thank you - and hope this helps.
