The story is about Dr. Kim, of course, a=d his tenure at WBG. I've spoken to more than a dozen people who wo=ked closely with JYK. Your name has come up in many of those conversations.=/div>

Does it mean that y=u are a "major" part of the story? It does not, though I he=itate to offer that assurance for the very simple reason that there is no s=ttled definition of "major."

Is your name currently in the article? It is, but as I♦=80♦ve said before, we think very deeply about journalistic ethics. That i= only to say that we don't print everything we hear, nor print thin=s we judge to be rumor or malicious innuendo.

I think the above makes our need to have a conversatio= more urgent. One suggestion is that, if we do delay the call, we do it so t=at my editor Sharon Weinberger is present. I trust her completely and belie=e that she can help us approach this in the most responsible and productiv=way possible.

Thank you for getting back to me.

I= short, the answer is yes, we can absolutely speak off the record. in the course of reporting my book, to speak with people who have/hav= had extremely sensitive West Wing positions. I've been able to win their t=ust and I hope that I can win yours.

Please let me=know your thoughts on the above.

Don't worry=about recording. I can run a recorder on my end. But if you want to record f=r your own use, then by all means. [REDACTED]
