Subject: B430 Generator

Jeffrey,

The Starter Generator Options for the Bell 430.

1-New \$26,635

2-Re-Conditioned \$18,644 &=bsp;exchange (if our unit is B.E.R. (Beyond Economical Repair), we would have to pay the difference to a New GEN cost.

We could purchase the New Generator, and send ours out for Repair, and keep as a spare.

(GEN repair cost is Usually \$2000 to \$3000 according to Dave Birch at Bell, depends if our unit is repairable, 1 1/2 weeks turn time,.

Should I purchase the New or Used Generator?

Thx

Larry

_____ = _____

Hi Larry,

The starter P/N is 206-062-200-129 <tel:206-062-200-129> = New from Bell is \$26,635, and Bell has some reconditioned at \$18,644.

Kind Regards,

DAVID BURCH
