You told me to confirm call. You a=so told me to confirm off the record at every step. ?

I can wait for the call or I can email.

How about this response:

Alexander thanks for your email.

I assume that I am not a major part of your story and that my name or any sp=cifics about me will not be used in any way in this story.

As you may be aware I mentor young women and also help lead the women'= training programs for doctors. My hope is for then to grow up full of oppo=tunity and hope.

If my assumption is incorrect then we will need to delay our call tonight. <=r>
