Also, I have much more information =n the Alaska boat. I've had conversations with the former =captain and it's sad I'm not as well informed about the =E2◆◆West Bay/Bush Master" LCU 1668, which is the New York =oat. The owner is a busy guy, reportedly, and has yet to send the =otos and information he has promised. He has admitted that only half =f the boat had been painted this year.
