Good afternoon Mr Epstein

My name is Luciano and I work for Nicole Brachetti Peretti in London.

We have a parcel for you, but I wanted to check the correct address to send it to. We have the following on file

9 East 71st Street

between 5th and Madison

New York

USA

And the courier will also need a phone number for the delivery. Could I use this one  
[REDACTED]

With many thanks in advance
