Pete is the =alesman. He collaborated with Kyle to get the measurements.

There was confusion over the measurements, which may have =elayed the production.

I only did the relentless =alling, and reminding.

what is pete role vs supplier?  
was it pete or =yle holding up?  
was jan 14th the date they finally =ot all info?

We placed the order, but not all of the information needed by the supplier was submitted.

This is why I am trying to pin Pete to when the production actually started.
