Subject: The Origins Project Donations from Leon Black =nd Leon Black Family Foundation

It appears that all of the funds donated by =eon and the Leon Black Family Foundation to The Origins Project were =ot used.

I believe the balance that remains is approximately 607,000. Jeffrey also had unused funds for his donations and sent his balance to the MIT Media Lab.

I have drafted a letter if you would like to do the same. If so Leon will need to sign.

Thank you and please contact me with any questions.
