Dear Jeffrey,

I hope you are well! Davos is fascinating, not so much because of the =resentations (John Werner mostly got me into Blockchain events), but =ecause of the interactions with interesting people. Thank you! I have =ot seen Lana much yesterday, but she seems to have a good time, too.

We have found an apartment in Palo Alto and will set up the move in =ebruary, but we will need some funds to do that. Could you please help =ith that? My job with AIF does not officially start before the visa is =eing processed. We still have 21000 in our account after paying rent in =ambridge and health insurance for February.

Most importantly, the realtor for Palo Alto wants the first rent and =ecurity deposit wired until tomorrow (13000). Could you help with that =lease or should I send it from our account?

The move of the household is going to cost ca 12000, we will need =ickets to SF, and may have to pay rent for March both in PA and in =ambridge, if the landlord does not find a new tenant immediately.

With kind regards, and thanks,

Joscha
