Hi Jabor,

Sorry for the late response. Israeli politics is complicated and time consuming and I'm a little bit involved.

We will be glad to explore with your services company the possibility of cooperation re the 2022 Games.

My CEO, Amir Elichai (cc'd) will be the contact person and will contact you or whoever you'll nominate for this task.

Looking forward to work together.

I'll relate to the anti-drone issue in a separate email, tomorrow (still waiting for some information)

Thx again

Best
